Embarking on the journey to your new home? Let WellRive be your guide to a worry-free moving day. As your move management experts, we coordinate every detail, partnering with trusted services to ensure a seamless transition. With WellRive, you get a unified service experience, from planning to settling into your new home.

Before Moving Day

- **Plan Ahead:** Engage in a downsizing session with us to ensure your new space feels like home, with the items that fit and matter.

- **Prepare Valuables:** Identify items needing special care. From high-value art to unusual or fragile pieces, your WellRive Move Manager is trained and skilled to handle them with utmost care.

- **Pack Day:** Your Move Manager will pack all items with care and intention, labeling all boxes properly so the unpacking is efficient and thoughtful.

Moving Day Comforts

- **Essentials First:** Designate a "first-night" area for items like medications, chargers, and glasses.

- **Stay Comfortable:** No need for a hotel. We'll make sure your essentials are accessible for a comfortable last night at home.

- **Pet Care:** Consider arranging a pet sitter to reduce stress for your furry friends.

Enjoy Your Day:

- **Leave It to Us:** Feel free to take a break. Go to lunch or spend time with loved ones while we handle the move.

- **Stay in Touch:** Your dedicated Move Manager is there to make your move as comfortable and stress-free as possible.

- **Mover Selection:** Trust us to arrange a fully vetted and preferred moving company that will discuss all the details, including insurance, for peace of mind.

After Moving Day

- **Settling In:** We're here to get you resettled to make your hew home feel just like home quickly. From unpacking every box, hanging pictures, organizing closet and much more!
